

DREAM ANGELS

Girl Covenant

Participating in the Dream Angels, Inc. program requires me to dream ... imagine ... believe.

It is a time to have fun ... to learn ... to grow ... to explore new ideas and to get to know others in the program.

1. I will be open to learning about myself and growing.
2. I commit to weekly Saturday tutorials. If I do not attend tutorials, I will not be able to participate in field trips and summer activities.
3. If I am unable to attend a session, I will contact a Dream Angels Board member.
4. I will respect and honor other girls in the program.
